

Presentation to the Electoral Boundaries Commission

03/09/04

Mr. Wyatt Jackson

I live in the Georgetown/ Baldwins Road district. My children go to school in the Montague family of schools. My children play sports in Montague. I live on the Old Upper Road / Victoria Cross. I am Approx. 2 min to Montague but the other end of my district is about 30 minutes from where I live.

If I have a concern about a school issue my MLA is from Cardigan school, Georgetown school, Dundas school. I feel my concerns would be better met by a MLA that represents the Montague family of schools. My road is cut in half. Half of the people vote in Montague and the other half vote in Georgetown / Baldwins Road. Other roads are in this same position, Old Upper Road, Queens Road, South Montague Road and MacDonald Road.

The top of Belles Hill is Montague and I drive thru there to get to my district. I hope you can address this issue and make a change even if it would mean making the districts end at the ends of the roads I wrote about.

Thank you.
